

A close-up portrait of a woman with voluminous, curly brown hair. She is wearing a red headband with three horizontal stripes. Her eyes are closed, and she has a serene expression. She is wearing bright red lipstick and large, ornate gold earrings. Her clothing features a leopard print pattern. The background is a soft, out-of-focus light color.

"SPEAK MY VERNACULAR"

ABOUT ME

Dubbed the "Hip-Hop Polymath" by the Washington Post, Dior Ashley Brown is an award - winning artist and living legend. Her many creative roles are united by a single mission: to maintain the soul of music, empower all people, especially Black women and girls, and leave a legacy of positive change.

Her latest single "Vernacular (RED/BLUE)" is hard-hitting, soft-centered, and unmistakably political – a bold call-to-action that treads down any attempts to use language as a way to divide and shut out others. At her core, Dior Ashley Brown is about changing atmospheres, breaking down barriers, and sparking a movement, revealing the ways diversity lends beauty and greater understanding of what it means to be human.
